Event Logistics

Wedding guests, parties and family will be permitted in event spaces 1 hour before the start of the Event.

All vendors must enter and exit through the loading dock and check-in and out with security. The loading dock for the Museum is located on the left side of the building, at the back, behind the Art Connections entrance.

To ensure smooth and timely set-ups, we have allotted specific times for vendor load-ins on the day of the event (Monday-Sunday).

the Museum within that hour. Contracted vendors may also load-out of the museum at the following times on the day after the Event (Monday-Sunday).
